

# Asia-Pacific Trade Insurance Network

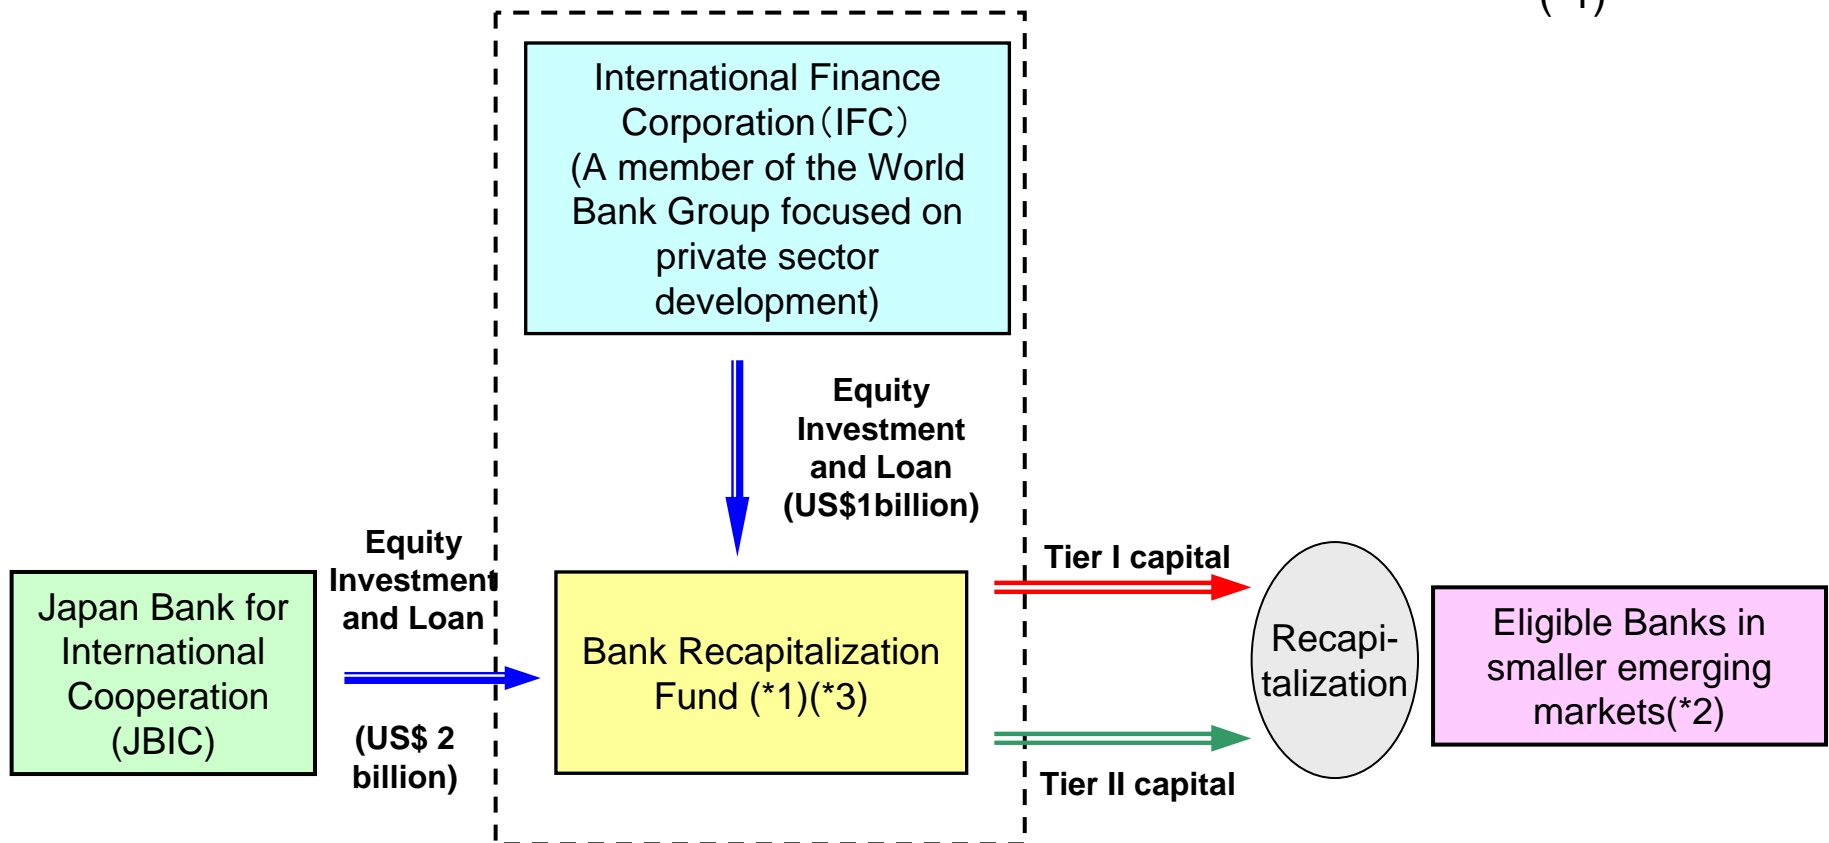

The Asia-Pacific Trade Insurance Network, for reinsurance cooperation among Asian-Pacific Export Credit Agencies (ECAs), will facilitate the intra- and extra-regional trade and investment flows of the region.

- A special meeting of Asian ECAs, including those of Japan, Australia, Indonesia and Korea, was held in Tokyo on 16-18 November, 2008.
- To respond to the financial crisis, the ECAs agreed to “**seek the expansion of bilateral reinsurance arrangements with other Asian ECAs, expecting them to function eventually as a reinsurance network covering the whole region.**”
